For ONLY a CART Fee!

Couples Twilight Golf August 28th, September 11th & 25th

5:15pm

Sanctuary Golf Club at Cat Island

From the Pro's Desk...by Joe Matheny

Hello Members,

What a great summer we've had here at the Sanctuary!

Derek just finished up our last Golf Camp held August 3rd - the 7th. We worked with six young aspiring professionals. Even though the kids are back in school now, Derek is still available for lessons. Please don't hesitate to give him a call at the Pro Shop.

Don't forget about our **Three Club Skins Game on August 22nd**. It will start at 3:00pm. Please call the Golf Shop at 524-0300 for more details.

In **September** we will bring back the popular Member's Guests pay a **CART FEE ONLY**. The dates for this Special are **Sunday the 6th** and **Sunday the 20th**. Members can bring up to 3 accompanied guests for cart fee only. The **September Member Twilight** will be on **Fridays the 11th** and **25th**. Hopefully with the weather

getting a little cooler this will help bring out some players. Our Thursday Night 3 Person Scramble has been a big success! Over the past month we have averaged about 16 teams every Thursday! SO...come on out and join us for some great golf and food.

Here are a couple of things to put on your calendar for **October**:

- The **Men's and Ladies CLUB CHAMPIONSHIP** will be played on October 3rd and 4th. All players must be a member of the club and have an established handicap. More details we be given out the first week of September.
- Our **Couples Championship** will be played on the **11th**. So please make plans to come out and play.

We'll see ya on the links.

Chef Tom's Tips...by Tom Miller

Last month I showed you two great recipes for dressings that could also be used as a dip. Since we're still experiencing HOT weather, I thought a refreshing and good for you cold Soup would be a great alternative to a hot meal. There is nothing worse than slaving away in a hot kitchen on an even hotter summer day.

Whisk together milk & yogurt in large bowl. Gradually add wine & lemon juice. Stir in onion, garlic, cucumbers, salt and pepper; cover. Refrigerate 1 hour before serving. Garnish with Cucumber slices. Yield 6 - 8 servings.

Enjoy!

Cucumber Soup

- 2 cups milk
- 4 cups Plain Yogurt
- 1/2 cup white wine
- 1 Tbsp. lemon juice
- 1 grated onion
- 1 clove minced garlic
- 1 pound finely grated cucumbers - unpeeled
- Salt & Pepper to taste

Tennis Anyone? By Jill Wilson

It has been a fun, productive summer on the tennis courts! What a delight it has been getting to know your children. This summer we had our first ever, combined summer camps at the Sanctuary Golf Club. The feedback we received from the children tells us that tennis remains one of their favorite activities. We want to encourage you parents to keep the momentum and continue their tennis les-

sons into the fall. We are now organizing fall group and private lessons. As always, we will continue to work hard to put your child in a group with his or her peers.

Tennis is a wonderful family sport, so don't just sign up the kids. This fall we are planning more adult lessons and tennis socials. We have morning and eve-

ning times available. Warren and I look forward to seeing both children and adults out on the courts, having fun and getting plenty of exercise.

For Lessons please call
Jill at 263-5032
Or
Warren at 441-0871

Members Notes by Peggy Hopkins

Has everyone seen that commercial with the Dad and his two kids at Staples? You know the one...in the background the song **"It's the Most Wonderful Time of the Year"** is playing, the dad is dancing around and the kids are sulking? Well, no matter how you feel about it, the beginning of the school year is here. There is no fighting it. Are you ready?

Summer coming to an end and school starting, has always made me a little nostalgic for my child-

hood in Virginia. Wanting to hold on to those warm summer nights, wishing for just one more month of catching fireflies, playing hide and seek in the neighborhood and sitting on the corner with all my friends eating popsicles. I hope that when your children grow up and become adults they have the same type of memories of their childhood that I do of mine. One of the memories I hope they think about is Movie Night at the Pool. We had our first Movie Night on

Saturday July 25th. And after a few delays due to an unruly screen, the movie "Bolt" was enjoyed by about 35 kids and kids at heart. We plan to continue Movie Night every month (excluding winter months) at the Pool complex - weather permitting. Last month's movie and the August movie are more geared toward kids, BUT that will not always be the case. So remind your friends and neighbors and let's hope for a fun Fall under the stars.

Springhouse - Pool News

Dear Members,

Can you believe that we're in the second half of August and the summer is nearly over?! Yes, it is time to get the kids ready to go back to school and say goodbye to our summer visitors, both friends and family. We appreciate the enthusiasm and support we have received with all of the summer camps this year, and to everyone who has enjoyed the Spring-

house Pool complex. The renovations we have done to the complex both this year and last have been well received. We do apologize for the inconvenience of having the kids' pool closed, but we had a pump motor break, and decided to paint a slip resistant surface while the pool remained closed. The frequent afternoon rain delayed the painting a bit.

On another note, we have decided to keep the pool open full time

through September 13th (that is the weekend after Labor Day). After September 13th, the pool will remain open on Fridays, Saturdays, and Sundays from 11am until 7pm. This will continue until October, when the pool will close for the season.

It has been a great summer, and I thank you all for your support.

Rick Grant Jr.

Upcoming Maintenance:

This summer many of you may have noticed some cut out areas on number #15. These areas are being prepped for new sod. We are in the midst of a drainage project on #15 that I mentioned in last month's newsletter. This month we will also be adding sod throughout the course to repair worn areas; including re-sodding

the back (blue) tee on #14.

During the first week of September we will be doing a solid-tine aerification of the greens. If you remember we did this in the spring. This process helps relieve compaction of the greens and should not effect play.

The club is currently debating over-seeding the tees and fairways

this Fall. Although we have not made any decision yet, if we decide to over-seed, that process would be preformed sometime in the month of October. We'll of course keep you posted.

Once again thank you for all of the positive comments on the Golf Course. We are working hard to keep the course in great shape.

Chris Garrett
