New Sanctuary Adult Tennis Team...by Warren Florence

During my nearly decade-long tenure with you on Cat Island, we've grown tennis together. It started with only one afternoon offered to helping Juniors. (I was going to learn and play a lot of golf.) Then the thing grew exponentially to four hours of kids nearly six days a week, with several adult clinics needing to be held later in the evenings because (as I now understand) it takes time (and whips) getting these little people spelling-test prepared, fed, bathed and read to, and under the care of a spouse or baby-sitter. It went that way for years; lots of men and women taking lessons, though very few Cat Islanders were going on to play in local, competitive leagues. (That's not to say there aren't many of you who have game, and who've been out for social events. It's simple: growing tennis for adults on Cat meant space. We can al-

ways debate only two courts being the cause. But we have what we have.) With kids in mind, however, time wasn't (still isn't) readily available.

Now many years in, Sanctuary has two enthusiastic tennis instructors to fill a growing tennis appetite, with many adults making the time and coming back under renewed interest. It doesn't feel like we're here just for juniors anymore. For the first time we're fortunate to have enough Sanctuary members to form its first Adult team, under the club's name: **Sanctuary/Cat Island Castaways**. With perhaps more to come, this first Sanctuary group is a 3.0 Ladies team that will play against other similarly skilled players (beginner to intermediate) in the newly formed Coastal Carolina Tennis Association (CCTA). More than the 12 players who've made that commitment leap to

Members Notes... by Peggy Hopkins

Hello All... Happy 2009! I hope that all of you enjoyed the Holiday season and that the New Year's resolutions you made are still going strong. What is it about the turning over of the calendar that makes us all want to change - to better ourselves and our surroundings? Maybe it is the idea of a "clean slate" - anything is possible in the New Year. Whatever it is to you - I for one, am all for it.

Our goal at the Sanctuary this year is to make it the best year ever. Granted, times are tough all around, but we are committed to constantly working and striving to improve on the business as a whole.

You may have noticed that last month we included the monthly calendar in with the newsletter and billing. We will con-

tinue to do this each month. On February's Calendar please make note of the various events - (starting off with the Super Bowl Tournament on February 1st) and specials listed for the British Open Pub. Our \$5.00 Lunch Menu Monday through Friday has been quite successful, as well as our Two-for-Tuesday Dinner Specials. The popular Don Lehman returns to the BOP on Friday February 13th and again on February 27th. On Thursday February 19th (see box) we will continue with our popular monthly Wine Tasting (occurring the third Thursday of each month - excluding holidays). Remember, you can't forget our famous Sunday Brunch!

Please come out and play the course and eat at the BOP...I hope to see you all soon!
