Pool News by...Rick Grant Jr.

Dear Members,
 It has most definitely been a time for celebration at the Sanctuary Springhouse pool complex. We have had a number of small member and member sponsored parties; for birthdays, graduations, & even Habitat for Humanity volunteers. Congratulations to all Beaufort Academy graduates, as they spent their graduation night at the pool with their teachers, coaches, friends, & families, a number of which are members of the Sanctuary. The event was member sponsored & for the first time, we had to close the pool complex early on a Saturday evening, due to the number of invitees (175 people). No other large parties are scheduled at this time, & I do apologize for anyone inconvenienced

by the early closing. If any event is scheduled that requires restricted pool hours, it will be noted on the calendar you receive with your bill, or in email form if scheduled after the bills are sent out. Anyone interested in having a party at the Springhouse can contact me at 524-0300 ext. 4 or via email at Rick.Grantjr@Sanctuarygolfcatland.com. We look forward to hosting more **Members** only parties & functions at the Springhouse. There is a pizza party scheduled for Saturday, **June 19th**. We will have an assortment of pizzas plus \$1 Yuengling drafts & \$3 house wines. The price is only \$9.95 for adults, \$5 for kids ages 6-12, and free for those 5 and under. Please make sure to **RSVP BY JUNE 16th** - See you at the pool!

Members Notes...by Peggy Hopkins

Dear Members,

By the time you receive this newsletter, schools across the county and the country will be out and graduation season will be over. As a result, the pool has certainly seen an increase in attendance and sales over the past few weeks. I hope that you are enjoying the summer sun! For those of you who do not know this, we have Sanctuary Beach Towels available for purchase. These were quite popular last year and we sold out quickly. Stop by to see the selections; striped green & white, striped dark

blue or light blue and white & solid blue.

Starting **June 16th** we begin our first session of **Summer Camp 2010. Golf Camp** is almost full as I am writing this; with only 2 spots available for the June 16th - June 19th session. Please call Derek Lafferty in the Pro shop for details or to sign up.

In Jill Wilson's article above you will see the schedule of events, dates and times for the **Swim, Tennis and Fun By the Pool Camps.** We still have some spots available for the first session held

June 21st - June 25th, so if you're interested, please call Jill NOW to sign up!

Rick mentioned in his article on page 1 that the next Member function will be this Saturday **June 19th from 5pm - 8pm. From the Superintendent's Desk...by Chris Garrett

Dear Members;

The aerification process, performed on May 24th and 25th went very well. The greens have healed and are rolling true and accepting shots again. This process helps with compaction and air movement throughout the soil. We also applied fertilizer to the

entire course last week. You'll notice that the fairways have started to green up and thin areas have filled in throughout. Starting immediately I would like to re-introduce our Adopt-a-Hole program from summer 2009. Any one who would like to start filling divots can go ahead and start when

ever they would like. Please communicate what holes you will be doing with the Pro-Shop.

Again thanks for your help on this. I hope everyone has a great summer - Stay Cool.

Thanks,

Chris Garrett GCS
