Pool News by...Rick Grant Jr.

Dear Members,

It is that time of year again. The weather has gotten warmer, the days are longer, and most all of us are spending more and more time outdoors. I see this nearly every day at the booming Springhouse Pool complex. Dozens of kids can be found splashing around, and parents and grandparents alike are relaxing in and around the water.

Last Saturday, May 8th, we kicked off the season with the grand opening Pool Party. Good food and fun was had by all. I would like to take this opportunity to thank each and every one of you who attended. We will continue to host both mem-

ber, and member sponsored parties throughout the pool season. Members have already begun booking birthday, graduation, and other kinds of parties to date. So please call me well in advance to reserve your party.

I am pleased to announce that many of our staff members from last year have returned to Sanctuary. These include; Maddy, Tammie, Don, and Alex (who is in the pro shop as well). In addition, my brother James, and Maggie from our Cat Island Grill and Pub, have also joined the pool staff. Lastly, Erin Clark has joined us, as the one new hire this year. She will be pleased to meet you all. See you at the pool, *Rick Jr.*

Members Notes...by Peggy Hopkins

Dear Members,

The pool is open, the weather's been beautiful AND school is almost out. I KNOW...it does seem hard to believe! If you are looking for something for your little ones to do, don't forget Sanctuary's Summer Camps. Golf Camps are scheduled for June 16th - 19th and August 4th - 7th and the Combined camps (more information in the article above) dates are June 21st - 25th, July 12th - 16th and August 9th - 13th. To

sign up for Golf Camp call Derek at the Golf Shop at 524-0300. For Combined Camps call Jill Wilson at 263-5032. Camps are open to member's children and grandchildren initially and if camp does not fill up we open them to the general public 1-2 weeks in advance. These camps were very popular last year, so please make sure to sign up soon!

I have already had several requests for "Movie night at the Pool" So, on Friday May 28th we will be

showing our first movie of the season. The pool will close at 7:00pm in order to set up and will re open at 8:00pm. The movie (to be announced) will be shown promptly at 8:30pm. Please email me at Peggy.Hopkins@sanctuarygolfcatisland.com if you plan to attend. The snack bar will be open during the movie so that you may purchase drinks, ice cream and popcorn, but the grill will be closed. Looking forward to seeing you all there! *Peggy Hopkins*

Upcoming Maintenance:

The maintenance staff will be doing the 3/8 inch coring tine aeration on the 24th of this month. The end of May we will apply Merit which helps control grubs and the mole cricket population. This application should control the spread of mole crickets until about the second week of August. At

that time we will apply a liquid form of the application to control the adults that survived the Merit application.

We have experienced a bumpy spring with the greens. The aeration scheduled for May 24th should take care of this. To combat this problem in the future we are researching and evaluating

different solutions. We are looking at over-seeding the greens next year but we have not made a final decision on that as of yet. Once a decision has been made we will let everyone know the plan that we have come up with.

Again, thanks for your patience.

Chris Garrett
